

Massively parallel single cell RNA and protein analysis

Application Seminar

We are looking forward to meeting you!

Vienna • June 26, 2018 • 12:00 – 15:00 h

FACS Core Facility • Medical University Vienna • Anna-Spiegel-Building • Lazarettgasse 14 • 1090 Vienna

Program

12:00 – 12:30	Cell Sorting for Genomic Approaches
12:30 – 13:15	BD Rhapsody™ targeted single cell workflow
13:15 – 13:30	<i>Coffee Break</i>
13:30 – 14:00	SMK: Sample multiplexing in high throughput single cell RNAseq
14:00 – 14:30	Ab-Seq: A new antibody mediated multi-omics approach
14:30 – 15:00	Q & A, Solutions in development

Speakers

Dr. Wieland Keilholz

Application & Training Manager
BD Life Sciences – Genomics

Dr. Jannes Ulbrich

Technical Sales Specialist
BD Life Sciences – Genomics

Dr. Ali Gawanbacht

Application Specialist Sorter
BD Life Sciences – Biosciences

Contact & Registration

Please send your registration to:

Mag. Richard Weninger

Account Manager
BD Life Sciences – Biosciences
